IRISES

OF

DISTINCTION

Mildred Presby

The choicest proved old favorites. The best of more recent introductions.

Selected from close study of one of the most inclusive collections in the world.

Numbers in front of name, garden rating of the American Iris Society.

90—Very fine; 85—fine; 80—very good; 70—good.

Originator's name and year after name of flower.

Some varieties not rated because only recently introduced.

ALL IRISES GUARANTEED TRUE TO NAME
